

## Welcome to Jingle Bell Market 2020

**Jingle Bell Market** is a spectacular holiday market with high quality vendors featuring handicrafts, gourmet foods and wine tastings, home décor, gifts, chic boutiques, jewelry, shoes, accessories, toys and a treasure trove of farmhouse chic and a whole lot more!

Since Jingle Bell Market was launched in November 2018, thousands of holiday shoppers have joined us to ***shop 'til they dropped*** for their holiday gifts, savored gourmet foods and wine tastings, delighted in Chef Tim's famous Shrimp 'n Grits at the Christmas Café and enjoyed the sights and sounds of the holiday entertainment.

Social media plays a major role in our spring and summer marketing campaign. We offer video production to create a beautiful presentation of your product line that will be posted on all our social media channels. This gives your company tremendous exposure, please visit our Facebook page to see the videos posts for previous exhibitors. The exhibitor media campaign information is enclosed on the application. Do not pass up this opportunity to show off your fabulous products!

We extend an invitation to your company to submit an exhibitor application for the November 2020 shopping event of the year at The Florence Center!

Every company's presentation is considered for originality, quality of the merchandise and booth display.

We believe that quality over quantity is a more sustainable avenue to grow and nurture Jingle Bell Market. The exhibitor selection process considers the balance of product categories and exhibitor booth presentation. Acceptance to the show will be sent via email and the invoice for deposit will be sent with a link to submit the 50% deposit.

We thank you for consideration of Jingle Bell Market. If you have any questions, please send to [manager@jinglebellmarket.com](mailto:manager@jinglebellmarket.com)

Thank you for your consideration of our show!
